About The Author

Manoj Chauhan has been one of the most reverent faculties of KOTA in realm of MATHEMATICS. Since his graduation from the prestigious INDIAN INSTITUTE OF TECHNOLOGY-DELHI, he has been associated with most of the top notch institutes of KOTA, like Bansal Classes Kota, Etoos Academy Kota and Vibrant Academy Kota..

Apart from this he is also a very famous online educator. He has plethora of online videos on IIT JEE EXAMS to his credit. He has just finished online video lecture courses for foundation for IIT JEE and Medical exams (meant for 9th class and 10th class students)

This book is the outcome of 11 years of his teaching experience. Lots of people have provided their invaluable contribution during the compiling, editing and publishing of this book. We sincerely hope that this book fulfills the needs of students preparing for IIT JEE Main & Advanced and other engineering exams along with the Board Examination .
